### **RESOLUTIONS**

The following resolutions were offered and placed in the Committee on Rules.

#### **HOUSE RESOLUTION 966**

Offered by Representative Joyce:

WHEREAS, The Medicare prescription drug benefit enacted in 2003 took effect January 1, 2006, in the form of competing "Medicare Part D" plans sold by private insurance companies; and

WHEREAS, Senior citizens are choosing from a wide array of private plans in each geographic area, with a confusing variety of plan designs and formularies; and

WHEREAS, The law states that a Medicare plan's formulary must cover just one brand name drug and one generic drug in each therapeutic category - a minimal requirement that will make it difficult for an older person to find all the drugs he/she takes in a single plan; and

WHEREAS, The drug plans will be allowed to switch the drugs in their formularies on a regular basis,

making it likely that many seniors will sign up for a plan that covers a drug they take, only to find out a few months later that the drug is no longer covered by their plan; and

WHEREAS, The drug plans will bargain with the drug companies for lower prices, but instead of being required to pass the discounts on to seniors, they will be allowed to use the savings for advertising and overhead costs, or to increase their profits; and

WHEREAS, Private drug plans will be unable to bargain effectively, because the Medicare market will be divided among hundreds of plans, diminishing the negotiating power of the huge Medicare population; and

WHEREAS, A drug benefit that's run by the Medicare program itself, rather than private insurance, could be given the authority to negotiate prices on behalf of all 44 million beneficiaries - resulting in enormous buying power and the ability to get the lowest prices possible; and

WHEREAS, This was born out by a recent study conducted by Families USA (September 2005), which found that the lowest drug prices negotiated by the private sponsors of the 2004/2005 Medicare discount cards far exceeded the low prices routinely negotiated by the Department of Veterans Affairs on behalf of the nation's veteran population; and

WHEREAS, Seniors would not only benefit by the lower prices of a Medicare-run drug plan, but many would find a Medicare choice much less confusing than having to choose the most appropriate plan from among the dozens being marketed by private insurers; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call upon the United States Congress to enact a drug benefit for senior citizens that is run by the Medicare program itself; and be it further

RESOLVED, That the United States Congress enact legislation authorizing Medicare to negotiate directly with the drug companies on behalf of its millions of beneficiaries, in order to achieve the lowest prices possible; and be it further

RESOLVED, That a copy of this resolution be sent to the President of the United States, each member of the Illinois Congressional delegation, the Speaker of the United States House of Representatives, and the President of the United States Senate.

#### HOUSE RESOLUTION 967

Offered by Representative Meyer:

WHEREAS, The Department of Commerce and Economic Opportunity (DCEO) is the lead State agency for economic development in Illinois; and

WHEREAS, In that capacity, DCEO expended over \$944 million in Fiscal Year 2004 appropriations for community and business development, technology and industrial competitiveness, tourism, coal development and marketing, and Illinois First; and

WHEREAS, On February 22, 2006, the Auditor General submitted his special management and program audit of DCEO, as directed by HR 671 of the 93rd General Assembly, and described various inconsistencies regarding how DCEO was tracking and reporting job creation in the State; and

WHEREAS, Efficient and effective management of the State's economic development programs is critical to the fiscal soundness of the State, local communities, business, and Illinois workers; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct a follow-up management and program audit of the Department of Commerce and Economic Opportunity's administration of its economic development programs in FY05; and be it further

RESOLVED, That the Department of Commerce and Economic Opportunity, recipients of State funds, and any other entity or person that may have information relevant to this audit cooperate fully and promptly with the Auditor General's Office in the conduct of this audit; and be it further

RESOLVED, That the Auditor General commence this audit as soon as possible and distribute the report upon completion in accordance with Section 3-14 of the Illinois State Auditing Act; and be it further

RESOLVED, That a copy of this resolution be delivered to the Auditor General and to the Director of the Department of Commerce and Economic Opportunity.
